Description

This pair of bedside cabinets are in good condition. We have professionally stripped and restored them and then waxed them in a lovely mahogany wax. The cabinets would look well in any bedroom either side of a double bed amongst similar mahogany furniture. The cabinets stand on a square plinth supporting the main section. There are four graduated drawers. The drawers have an amazing wooden carved cup handle. This is very rare and unique as they are always metal. The drawers have dovetail joints and are mahogany lined. The tops are in good condition with a bull nosed edge. The height is 76cm, the width is 45cm and the depth is 45cm.
