Early Norris London A51 Annealed Iron Smoothing Plane

Price

GBP 295

| USD \$402 | EUR 344

Item Reference: SA1232462**Date of manufacture: 1910**

Description

Good clean early Norris of London No. A51 registered annealed iron adjustable smoothing plane with 2 1/4" wide blade. Super gunmetal lever cap stamped 51 in the centre with very nice walnut infill with no cracks or damage. 1913 patent adjuster. Original thick Norris London parallel iron and backing iron. 1 1/2" left to the slot. This is a really nice example of the 51 plane.
