Description

A lovely matching pair of sterling silver bonbon dishes. They are boat shaped with pretty pierced detailing. They are stylish and good quality, weighing approximately 132g. They are both clearly hallmarked for Sheffield, 1894 and the maker Henry Aitken. They are in good condition for their age. There are some faint surface marks, small dinks and some spots of tarnishing but nothing detrimental and no major damages. They have been gently cleaned and polished and display well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £7 Rest of the world £25
