Description

English 1936 silver double watch chain and fob. The T-bar and the two clasps are hallmarked for Chester 1936 with the same maker's mark of B&S, believed to be the Birmingham silversmith Britton & Sons. Each of the links has the lion silver mark and one link has the B&S and 1936 letter so we can be sure that all the chain components started off life together. The chains measure 18.5cm long including the T-bar and the clasp. Clasp to clasp is 33cm. Total weight 47g.
