Description

Antique 20th century set of six dining chairs in oak, comprising two carvers and four single chairs. A beautifully matched set with a strong traditional look, they are well made and of good quality, offering both comfort and plenty of character around a dining table. Each chair stands on turned legs, joined by supporting stretchers for strength and stability. The chairs have beautifully carved backs, while the studded decoration and rich red upholstery add a smart, decorative finish that complements the warm tones of the wood. The oak displays a rich, warm colour with gorgeous natural grain throughout, enhancing the quality of the construction and attractive carved detailing. Together, the design details give the set a refined yet inviting look. Presented in good condition, these handsome dining chairs would make a wonderful addition to a dining room, bringing traditional style and a welcoming feel to mealtimes and gatherings.
