Description

A good example of a pair of solid Sterling Silver pepperettes. They are set on octagonal footed bases with urn shaped bodies and pierced lids with turned finials. They are stylish and good quality, weighing approximately 116g. They are clearly hallmarked for Birmingham, 1919/1920 and the maker William Goss. They are both in good condition and have been gently cleaned and polished. There are some faint surface marks and signs of age and use and a couple of small dinks and dents but nothing detrimental and they display well. Approximate Measurements: Height : 4" (10cm) Width : 1 1/2" (4cm) Base : 1 1/4" (3cm).
