Description

A lovely set of 6 sterling silver apostle teaspoons and matching sugar tongs. They are good quality with traditional apostle figures to the tips to the handles and the sides of the tongs. The total weight of silver is approximately 87g. Each piece is fully hallmarked for Sheffield, 1905 and the makers Allen & Darwin. They are in very good condition with clear hallmarks. There are some faint surface marks here and there but no major damages and they display beautifully. They have been lightly cleaned and polished and are ready for use. The set comes in a silk and velvet lined box, with fitted sections to hold each spoon and tongs. The box is in good condition and the interior is generally clean and tidy. There are a few marks and scuffs around the outside edges but overall it displays well.
