## Description

Antique 20th century small oval side table in burr oak, a beautifully proportioned and decorative piece with an elegant traditional design. Well made and of good quality, its desirable compact size makes it ideal for a variety of interiors. The attractive oval-shaped top is enhanced with delicate inlaid detailing and supported by a beautifully turned central pillar. Four cabriole legs fitted with castors complete the design, creating a graceful and well-balanced appearance. The burr oak displays gorgeous natural grain and striking figuring throughout, with a rich, warm colour that complements the decorative inlay beautifully. Its unusual form and compact proportions make it a particularly desirable example. Presented in good condition, this charming piece would make a perfect addition to any home.
