Description

A lovely quality Longcase clock by Samuel Collins or Thornbury, Glos. The case is in mahogany with boxwood inlay and some beautiful flame mahogany panels. The good quality 8 day movement strikes the hours on a bell and has a beautiful engraved silvered dial. The dial arch displays the phases of the moon and is inscribed "high water at Bristol dock". The case is in excellent condition and is a good colour. The movement and dial are also in excellent condition and with all functions working. The movement has recently been serviced and should be good for many years trouble free operation. Free local delivery and setup (50mls), national and international delivery arranged at cost.
