Description

A striking large-scale Black Forest carved wood eagle, depicted in flight with its wings fully outstretched. The eagle is exceptionally well carved throughout, with individually detailed feathers, powerful talons, a hooked beak and inset eyes. The rich dark finish highlights the depth and movement of the carving, while the impressive wingspan gives the piece a dramatic presence. Fitted with hanging rings, allowing it to be suspended from a ceiling or displayed against a wall. A highly decorative statement piece, ideal for a large entrance hall. Dimensions Height: 9 inches – 23cm Width: 38 inches – 97cm Depth: 22 inches – 56cm
