Description

A gorgeous original Art Deco burr walnut and sycamore sideboard, made in England and dating from the 1930's. This is of outstanding quality, it is beautifully crafted and has a very stylish design. It stands on a U shaped base with a useful platform base. The fluted doors are made from sycamore, there are also sycamore accents on the edges and base which contrast beautifully with the darker burr walnut. The grain patterns and colour tones are stunning throughout. We have had this stripped and re-polished to a very high standard, the condition is immaculate.
