Description

Great age and use marks to this rustic antique Edwardian solid pine bench, circa 1910. Very sturdy and totally happy to seat three adults if you are looking to use it as a kitchen table bench seat for example, or it's ideal for a hall bench. Good solid condition and as mentioned, there are plenty of age and use marks, perhaps suggesting this has been a school bench at some point?! Measurements: 26 1/2 inches or 67 cm high 58 1/4 inches or 148 cm long 11 inches or 28 cm deep
