Description

A stunning original large antique Georgian period mahogany parcel gilt mirror. This was made in England, it dates from around the 1800-1820 period. It is beautifully designed and of amazing quality. The frame has fantastic, crisp gilt carving throughout, including a very impressive eagle at the top. It also has plenty of beautifully detailed parcel gilt on the sides. This is in lovely condition for its age, we have had the frame re-polished and the gilding has also been professionally touched up. There is plenty of patina and charm, with no real damage to be seen. There is also a little wear to the silvered backing of the mirror, which looks as if it is the original glass. Width – 23 inches , 58 cm Depth – 3 inches , 8 cm Height – 48 inches , 122 cm
