Description

Antique 20th century serpentine chest of drawers in mahogany, a beautifully shaped and elegant piece with generous storage and plenty of visual appeal. Well made and of good quality, its curved serpentine front gives it a refined appearance that will make a statement in any room. The chest features a useful brushing slide to the top and stands on bracket feet, creating a classic and well-proportioned silhouette. Four large drawers to the front provide ample storage, each fitted with decorative brass handles that complement the warmth of the mahogany. The top is finished with a beautiful crossbanded pattern, adding an extra layer of detail to the design. The mahogany displays a rich, warm colour with gorgeous natural grain throughout, enhancing the quality of the piece and its attractive finish. Presented in good condition, this impressive chest would work beautifully in a bedroom, dressing room or reception room, bringing practical storage together with timeless antique elegance.
