Description

Fine mid 18th century 8 day mahogany cased longcase clock by Richard Hampton of Warrington. The mahogany case has been manufactured from the very best of mahogany timbers with a "brick" base with original ogee bracket feet. Nice shape horn top with original brassware. Fretted decoration to the case. The clock has its original workings with a brass dial with moon phase to the top. The movement has been fully serviced and is in full working order. A good 18th century English clock in pretty decent condition for its age. Nice colour with a waxed finish. MAKER; Richard Hampton of Warrington SIZE; 21" wide by 10" deep by 86" high overall CIRCA; 1760 - 1770
