Description

A good example of an antique Sterling Silver sugar basin. It is a good quality piece with angular shaped handles and a slender shape, in the style of the Art Deco period. It is clearly hallmarked for Sheffield, 1917 and the maker Cooper Brothers & Sons Ltd. It weighs approximately 84g. It is in good condition for its age. There are some faint surface marks and some minor signs of age and use and a small dent near the base (see photo) but it displays well. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6 Rest of the world £25
