Description

A lovely set of 6 Art Deco style silver coffee spoons. They are good quality with slender handles, round bowls and turned finials. Each spoon is fully hallmarked for London, 1920 and the maker Wakeley & Wheeler. The spoons weigh approximately 56g in total. They are in good condition with no major damages and they display beautifully. There are some faint surface marks but nothing detrimental. They have been lightly cleaned and polished and are ready for use. The set comes in a silk and velvet lined box, with fitted sections to hold each spoon. The interior is generally clean and tidy with some light wear and scuffs to the outside of the box but it displays well.
