Description

A fine quality and a rare collectors piece, this GEORGE III Silver Gilt Snuff box is hallmarked for BIRMINGHAM 1810 by JOSEPH WILLMORE. The snuff box features a classic 'curved pocket' or 'waistcoat' form, shape to sit flush against the body. The lid is beautifully hand engraved with a bright-cut oval frame with a vacant cartouche. The same on the base. The ends feature wriggle work and Greek key engraving. The interior has its original mirror like gold gilt wash and full set of hallmarks. It truly is an exquisite piece in superb condition. Measuring 6.5 cm x 4 cm x 1.5 cm and weighs 41.5 grams. In excellent antique condition for its 216 years, the hallmarks are very good, hinge working well, there is very slight surface wear and small dings, gilding is still bright, engraving exquisite. A beautiful Georgian period piece.
