Description

An early ELIZABETH II Sterling Silver CATHOLIC ECCLESIASTICAL PYX BOX by premier high-end church furnishers F. OSBOURNE & CO hallmarked for LONDON 1959. A classic pocket sized circular religious vessel Portable PYX with a Latin cross with double sphere knot design on the lid. Lifting the hinged lid the interior features a pristine original gold-gilt (vermeil) wash in excellent condition. Measuring 4.5 cm diameter x 3 cm high and weighs 37.9 grams. In very good / fine vintage condition. With some slight surface wear to the silver commensurate of age and use. A very nice collectable piece.
