GEORGIAN ENGLISH COPPER BRANDY WARMER c1830

Price

GBP 185

| USD \$252 | EUR 216

Item Reference: SA1232966**Date of manufacture: Georgian**

Description

Used in a GEORGIAN KITCHEN to warm brandy or sauces, this super quality SMALL COPPER PAN, with original lid, dates from around 1830. It is even engraved with a Family Crest - a capital C beneath a CROWN. The turned fruitwood handle balances and sits well. THE PAN has brass keying to both the base and side. The COPPER is a lovely rich colour. Ideal to decorate either a fireplace or kitchen to give it that Country House feel.. Height to top of lid: 4.25 inches (10.5 cm) Length from side to tip of handle: 11 inches (25 cm) Express delivery within the UK is included. Please email for current discounted Overseas Shipping costs.
