Description

A rather good looking 5 tier English oak open bookcase c1910 of fine quality, a little different than the norm and ready for placing in good historic condition. We have a well shaped base, a "waterfall" effect to the front, an attractive pierced top plinth all using good quality English oak of pleasing tone and grain, all very shapely and pleasing to the eye. We have not seen one of this design before. As mentioned it sits well with sensible aging, nothing nasty or off putting. A handsome open bookcase in oak c1910.
