Description

A Pair of Large Japanese Bronze Vases, Meiji Period. These large bronze vases have flared rims at the top with a raised flying bird design and isometric handles with a fantasy animal head, maybe an elephant head. Below all four sides are similar to each other but different they have a relief decoration consisting mostly of fantasy birds, trees and flowers. The vases are in aged condition and very impressive, one with a seal under, they are 33" high and 14" in diameter with PM220. To get an accurate delivery quote please send the item number with your location to Elmgarden Antiques.

Internal Ref: PM220
