Description

A wonderful and most unusual pair of candlesticks, perfect for a mantelpiece with their unusual form with heavy weighted bases, filled with a solid metal weight to keep sturdy. My silversmith and I think they are French in origin, the bases decorated with a Fleur de Lys motif. The arms have are covered in grapevines with a Cherub climbing up the sides. You can see from the underside that my silversmith has had to replace one of the central fittings. A quite wonderful decorative pair of sticks in excellent condition.
