19th Century Carved Gilt Masked Florentine Mirror

Price

Sold**Item Reference: SA125100****Date of manufacture: 1880**

Description

This is a stunning 19th Century Carved wooden mirror circa 1880 which has the wonderful winged green man carvings to the corners and acanthus leaves to the sides. It is in very good condition in view of its age. I think the mirror has been a replacement at some stage. It measures 35" high by 29" wide and could be hung either way. The buyer will be delighted.
