

SA125130

Gustav Becker Double-weight Vienna Regulator

Price

Sold**Item Reference: SA125130****Date of manufacture: 1890**

Description

A lovely clean example of our best selling wallclock by the World renowned maker Gustav Becker. The walnut and mahogany case is in first class condition, retaining its original french-polished finish and having a lovely colour and deep, rich, warm patina. It has a fully glazed door and glazed side panels. It has a quarter veneered back panel. The 8" dial is in pristine condition with black Roman numerals, brass bezel and fleur-de-lis motifs. It has a subsidiary seconds dial and carries the "GB" motif, this being clearly embossed on the movement also. The brass weights and pendulum are in nice condition and the clock retains it's original winding key. The 8 day movement strikes on the half-hour and the hour and has just been fully overhauled and serviced by a registered BHI member.
