## Description

This is a fine quality solid mahogany dining table on cabriole legs, English c1860. The table has a serpentine shape around which I have placed a set of 6 mahogany dining chairs, also available at Merchant House Antiques. This style of table can easily and neatly accommodate the 6 chairs, often more successfully than around a 4ft diameter table. The dining table has a glorious mahogany patina, is completely sturdy and has original castors. There is a tilting action to the top. Seen here in top showroom condition having been waxed and polished it will give many years of good service. Height 29" Length 60" width 45"

Internal Ref: WIL
