Description

Always very sought-after and always a quick-seller. This is large example of a pressed glass vanity jar with a shaped polished brass lid. I am always amazed at the high quality of the cast brass cat on these modest jars .. quite wonderful with exceptional detailing and retaining it's two original glass eyes. Excellent condition (for accuracy, there is a shallow interior rim flake chip, only seen when the lid is off) measuring 2 1/2" high with a lid diameter measuring 3 1/8".
