Description

A late 18th Century sampler embroidered by Sarah Hockley in December 1796 aged 8 years, with intricate geometrical patterns, shields, flowers, trees and birds. There are some losses to the backing cloth and there is fading but for a sampler of the age this is not surprising. Part of a small collection of 6 samplers bought in the 70's and 80's by a couple who are now downsizing. Size - 16"(41cms) x 12"(30cms)
