Chinese Laquered Longcase Clock Mann London

Price

Sold**Item Reference: SA125742****Date of manufacture:**

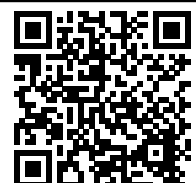

Description

A slim, well proportioned Chinoiserie longcase clock. A pagoda hood pediment with gilded wooden finials. Side glass hood apertures. An arched trunk door with a well detailed oriental scene. An arched brass dial with silvered chapter ring, date aperture, seconds dial and strike/silent dial to the arch. A 5-pillar, 8-day duration mechanism striking the hours on a bell. A flat rod pendulum and brass cased weights. The Mann family of clockmakers worked in London in the 18th century as recorded in Baillies' Watchmakers and Clockmakers of The World' book. The laquer work on the case is original. Height 7ft 3 "/ 221 cms
