Description

A wonderfully pretty example of a sterling silver bag shaped purse complete with chain and finger ring. The front and back panels are beautifully engraved with a raised border incorporating some fine floral and foliate decoration. The front also has a vacant cartouche which could be engraved by your silversmith, if desired. The clasp works perfectly and once opened reveals a tan coloured leather interior, in excellent condition. The silver is hallmarked for Birmingham 1918 together with the makers initials F.D.L., I believe for the silversmith, F. D. Long. Excellent all-round condition, measuring 4 1/2" at widest point x 2 5/8" tall including clasp and 5 1/2" long including finger ring.
