Price

Sold**Item Reference: SA126425****Date of manufacture: 1890**

Description

A very good mahogany bracket clock, by Maple & Co Ltd, London. The twin fusee, 8 day, movement with anchor escapement striking the hours and half hour on a curled gong. The fine quality five pillar movement with London style pendulum adjustment and pendulum locking nut. The case of break arch form, with ebony and brass inlays to the front and recessed panel. The circular painted dial, with roman numerals to the circumference and makers signature to the dial centre. The original brass fish scale fretwork to the case sides, cast brass bezel and brass carrying handles. The clock is in fully restored condition. Dimensions: 17" Tall, 11" Wide, 7" Deep. Please contact us for further details, or visit our website; www.storyclocks.co.uk Maple of London Founded in 1841 by John Maple, manufacturing and retailing from the hub of the furniture centre in London's Tottenham Court Road, and through the founder & his son's drive and excellence of the products of the company, expanded greatly, to have further workshops and points of sale in both Paris and Buenos Aires, and later, a shop in Smyrna. Clients included Queen Victoria and members of the Royal Household, the King ...
