Item Reference: SA126512

Date of manufacture: 1900

Description

Very individual solid cherry carved king size bed with beautiful rich colour made early 19th century; may have been made from earlier pieces of 17th century furniture as there is evidence of pit sawing and adze work on the back of the panels. A truly gorgeous one off piece of history. We can supply hand made bases and mattresses in all comfort choices and arrange national and international delivery.
