Description

A highly attractive pair clothes brush filled with natural bristle, nice and clean and in great shape, making them a very usable pair today. The glossy panels of tortoiseshell are set within highly decorative raised sterling silver frames. The shell is inlaid with some of the most attractive silver pique inlay, very elegant and stylish. The sterling silver frame is clearly hallmarked for Birmingham 1922, the makers initials are also present for the well renowned English silversmith, Adie Brothers. Unusually, the other side of the silver frame is stamped "Guaranteed Tortoiseshell". The natural bristles are different, one firm to use on coats, jackets and the like, and the softer bristled one would originally have been used to brush up felt hats and the like, perfect for more delicate fabrics. Excellent condition measuring 6 3/4" x 1 1/2". Item ID: 33425 FREE Worldwide Registered Airmail Directly From London, England
