Description

An absolutely stunning pair of pierced or reticulated fish servers, with beautiful engraved decoration. The pieces have a plethora of marks, made by the very famous silversmith's Martin Hall & Company of Sheffield. They are also lucky enough to have the design registration diamond or lozenge allowing us to date them to January 1882, a true Victorian example. It is quite evident what top-notch quality this set is when one looks at the very smart solid English Oak presentation box, lined in silk and velvet. Excellent condition, the knife measuring 13 1/4" and the fork, 10" in length. The box measures 14 1/2" x 5 1/4". Item ID: 33499 FREE Worldwide Registered Airmail Directly From London, England
