Description

Large Antique French Gilt Bronze Candelabra Clock Set ~ French - Circa 1880 ~ ~~ Excellent condition, fully overhauled ~~ A very large and impressive original antique French gilt bronze clock set, very good quality with a thick, sumptuous original gild. It is in the Louis XVI style, architectural with Corinthian columns and a broken arch pediment above the dial. To the top is a large and elaborate urn with a floral finial. The design is beautifully fretted to lighten the design and also allow the pendulum to be glimpsed swinging within the case. This is a stunning, very large, heavy clock set with a superb original gild. Candelabra are conforming in style with matching bases and urns. The four branches are modelled as scrolling acanthus with large drip pans and nozzles. The dial is also gilt with 12 individual enamel cartouche letters and original fretted blued steel hands. The hobnail bezel is fitted with convex glass and the rear door is also glazed to allow the movement to be seen. The French movement is of high quality and is in excellent clean and running condition having been fully overhauled by our clockmaker. Pendulum is a replacement. It runs for 8 days an...
