Sold**Item Reference: SA129542****Date of manufacture: 1900**

Description

Silver cigarette or cigar box hallmarked for London 1904 and made by Mappin & Webb. It has a hammered finish and is lined with cedar with a leather base. There is a set of ornate copper initials to the top of the box, there seems to be a "P" a "C" and maybe an "L". I think these are a later addition. Size: Length - 8" (20cms) Width - 4" (10cms) Height - 2.5" (6.5cms) Total weight - 29.2oz(829g)* *Please note this is not all silver

Internal Ref: 30213
