Pair of Ornate Silver Plated Picture Frames

Price

Sold**Item Reference: SA130631****Date of manufacture: 1900**

Description

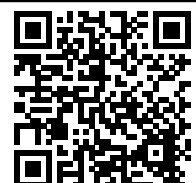

Late 19th or early 20th Century highly embellished silver plated frames with flowers and petals at each corner, foliate leaves and vines along the borders and a pair of standing lions at the base. They can be hung on the wall or stood up on the lions against a wall. They could quite easily be turned into mirrors, the back panels are screwed into the frames, hence the whole structure is very solid. In very good original condition, there is a leaf missing from one of the corners. Size: Each Height - 13" (33cms) Width - 9" (23cms)
