Description

Wilson & Blessley Copper Helmet - Brass Hinge Plates - c1895 A fine quality copper log & coal bin with pleasing contrasting brass hinge plates. Made by Wilson & Blessley in London 1895. This piece exhibits a canister helmet shape and excellent copper craftsmanship. Great colour and age are seen and the design is very pleasing. Robust handles and strong hinges ensure that the piece is ready for many further decades of service. The bin is in good, solid antique order throughout. Please do not hesitate to contact us if you require further information - we are here to help 52cm (20.5") Long 45cm (17.7") Tall Please see the images for the full dimensions of this item All our pieces are provided with our 100% satisfaction guarantee We deliver Worldwide
