Description

A wonderful bottle, I haven't actually seen this one before, in the form of a heart created from hobnail cut glass. The hinged sterling silver top is beautifully decorated with and repousse and engraved design, topped with a large vacant cartouche. The silver is hallmarked for London 1908, making this a true Edwardian example. The original glass stopper is intact to stop the evaporation of the precious contents. Excellent condition, measuring 5" tall. Item ID: 33464 FREE Worldwide Registered Airmail Directly From London, England
