Description

WE ARE SORRY THIS WATCH IS NOW SOLD. TO SEE OUR LATEST FULLY RESTORED WATCHES PLEASE VISIT OUR MAIN WEBSITE WWW.FOWEYRIVER.COM This is an absolutely stunning and very original example of the legendary calibre 321 Omega Speedmaster the exact same model and specification as used by Neil Armstrong, Buzz Aldrin and all of the other great Apollo astronauts. It has a superb condition totally original 105-003-65 non crown guard case with the speedmaster logo to the back, the lug width is 19mm. The dial is totally original and has not been refinished or repainted, it is the original Pre Pro dial correctly lacking the word professional and with the raised silver Omega logo. The hands have been replaced during the recent overhaul but the original ones have been retained and will be sent with the watch so that they can be refitted if you desire total originality. The glass has been replaced with a new one from Omega and has the correct very small Omega logo to the centre. The bezel is original and has a few minor scratches as you can see, but considering the age is in remarkable condition. The hand winding cal 321 movement is an absolute gem, sparkling clean and in...
