

SA132472

Small oak longcase clock by Gregory of Basingstoke

Price

Sold**Item Reference: SA132472****Date of manufacture: 1800**

Description

An excellent oak longcase clock of good small proportions and colour. The 8 day duration movement striking the hours on a bell with a 12" square painted dial with both seconds and date to the centre and featuring matching blued steel hands. The painted corners with a star burst design decorated with green, orange and black. The desirable oak case of good light colour with a long trunk door flanked with canted corners. The plain base with a single shaped plinth. The hood with a flat top, plain angle pillars terminating with elongated oak capitals and a decorative reeded section. Height: 6'6½"
