Description

Coffee Table or Jardiniere - Oriental - c1900 A carved hardwood oriental low table with charming deep sided shape giving the piece the option to be used as a table, display area or jardiniere. This table looks fantastic with carved detail to the outer. Pegged construction to the legs and iron strapping add the the traditional rustic village feel of the piece. It is very cleanly presented with autumn red tones to the timber as a result of very aged traditional dyes. The table is robustly constructed and free of wobble. The table is in good antique condition throughout. Overall an unusual and interesting item of furniture offering great scope and versatility.
