VERY LARGE VICTORIAN NURSERY FIRE GUARD CLUB FENDER

Price

Sold**Item Reference: SA133552****Date of manufacture: Victorian**

Description

A very large, Early Victorian antique fire guard often known as a nursery guard as it completely surrounds the fire. The slightly curved brass topped rail is in very good order as is the wire mesh, you will notice an unusual feature here, there are small holders in the mesh which would have held a clothes airer unfortunately this is no longer present. The fender is 30" high, 13" deep and 55" long.
