Description

**** FREE DELIVERY TO MOST OF THE U.K. **** Elm Rocking Chair - Superb Example - c1850 This is a splendid rocking chair crafted from gorgeous Elm. The piece displays lovely colour and elm grain. This piece benefits from a gorgeous unusually thick seat base - a key indicator that the chair was designed as a 'rocker' and is not a later conversion. It is in great order and is a strong and solid example. The robust look of the chair with its' sturdy turned parts and wide back stays makes for a very pleasing chair. The chair benefits from not being too large in size - often rocking chairs can dominate a great deal of room space, however this chair has controlled proportions and therefore is suitable for any location. Overall an excellent example and wonderfully comfortable too. This chair will make a lovely addition to any setting and is ready to give another 160 years of service.
