Description

Professionally restored and converted. This is a fabulous opportunity to acquire a pair of solid brass genuine Victorian table or bedside lamps dated to around 1890. Originally candlesticks with the wonderful beehive and Queen of Diamonds design, they have now been converted into table lamps by a fully qualified electrician and are ready for immediate use. They are in excellent condition with the brightness of the solid brass yet retaining the patina which you would expect of genuine Victorian pieces. This is a beautiful genuine pair of lamps and not to be confused with reproductions. They measure 12 inches in height and the base 3.5 inches square. If you would like further information please contact Andrew and Lynn Wilson of Fowey River Antiques, Cornwall on 01726 813155 daytime and evenings, we are open 7 days a week! The lampshades are not included as people would much prefer to choose their own. We also have another near identical pair and other brass lighting etc so do please take a look at our inventory. Delivery for this item within England, Wales and Scotland is free, unfortunately we are unable to post to Northern Ireland.
