Outstanding Omega heavy solid 18ct gold gents wristwatch c1960. This is a very fine example of a gents classic wristwatch made by the world renowned premier swiss maker Omega. This is an extremely rare model as it has a heavy rose or pink gold case with a black gloss dial as opposed to a matt black dial and is much sought after by collectors. The watch is the very popular Seamaster Automatic model which has the calibre 562 24 jewels movement, one of the best automatic movements ever made by Omega, highly reliable and beautifully made, as you can see it is in fabulous like new condition. The black gloss dial, batons and hands are original and in perfect condition. It has a gilt bezel and a new armoured glass has been fitted, the case has been professionally cleaned and polished so it is in pristine condition. The Seamaster logo on the back of the case is crisp and clear indicating that it has had very little wear. As you would expect the watch is fully marked on th...
