Description

A beautiful small prayer-rug of the Timuri tribes of western Afghanistan from around the mid 19th century. The rug is in good condition overall but requires some sides and ends restoration - relatively minor work. The small square size can indicate an early age thus my feeling that it is an 1850 piece. I love the electric-blue field and the minimal use of ivory. A truly stunning little rug which would make a wonderful wall-hanging! Size: 1.22m x 0.97m (4' 0" x 3' 2").
