Antique Feraghan Carpet, North-West Persia

Price

Sold**Item Reference: SA137728****Date of manufacture: 1870**

Description

This is a fabulous north-west Persian Feraghan carpet from the second half 19th century in very good overall condition albeit with some minor areas of wear, expected in a carpet of this age. The main border is truly superb - certainly one of the best main borders I have seen on such a carpet! The indigo-blue field contains an overall 'herati' pattern i.e. stylised fish swimming in a water garden and all the colours are vegetable-dyed. Size: 4.27m x 3.51m (14' 0" x 11' 6").
