Description

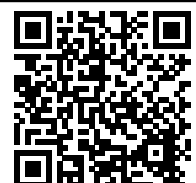

A Very Large Victorian Mahogany Fireplace. The Fireplace is superior quality, it stands 8ft high with a deep moulded dentil cornice beneath which there is a curved decorative copper canopy. The Copper canopy is profusely decorated with Art Nouveau stylised flower and leaves. In the centre of the fire surround there is a deep mantelpiece and either side tall columns with wonderfully carvings, there is a picture in the centre at the top, I would have thought that this may have been a mirror originally. The Fireplace has been salvaged during house renovations, it is a Large Sitting Room Size and in very good condition and has the pleasant appearance of an Art Nouveau Sitting room. The overall measurement of the fireplace is 87" wide x 91" high and it is 18" deep. The opening is 36" x 37" high. The fire surround does break down into several pieces for transportation. **VIEW ALL OF OUR CURRENT STOCK AT WWW.ELMGARDEN.CO.UK DELIVERY OF THIS PIECE TO ALL OF MAINLAND ENGLAND AND WALES IS INCLUDED IN THE PRICE** Delivery times vary from 7 to 28 days
