Description

WE ARE SORRY THIS WATCH IS NOW SOLD. TO SEE OUR LATEST FULLY RESTORED WATCHES PLEASE VISIT OUR MAIN WEBSITE WWW.FOWEYRIVER.COM This is an absolutely superb example of a mens wristwatch made by the world renowned premier swiss maker Zenith. It has a beautiful solid 18ct yellow gold case which of course has the full set of continental hallmarks. It is quite stunning with a silver dial and gilt hands which are in mint condition. A new glass has been fitted and the case professionally cleaned and polished so it is absolutely like new. As you would expect from Zenith the watch is fully marked on the dial, movement and case. The calibre 2642pc 25 jewel movement is considered to be one of the finest automatics made during the golden age of Swiss watch making, as you can see it is beautiful example of fine Swiss engineering. The movement has been fully overhauled and calibrated by Simon Batchelor MBHI and is accurate to within 6 seconds per day and comes with a full calibration certificate. The solid 18ct gold case is in perfect condition and is an usual flying saucer shape design which is quite unique. It comes with a new quality chestnut brown leather strap an...
